

Japanese Dance

A wide range of choreography, authentic costumes, and poetic interpretations will be presented by Onoe Ryu Dancers.

Fast paced, yet punctuated with high drama, "Japanese Dance Repertoire III" promises to bring Japan to the audience, and the audience to Japan, for a brief yet memorable experience.

The program is produced and directed by Shihan Onoe Kikuyuki, President of Onoe Ryu Dance® Enterprises.

Bringing Japan to the audience -
and the audience to Japan
